HOME LIGHTING 2018/19

linealightgroup

Casa è dove batte il cuore.
Casa è dove la nostra storia ha inizio.

Home is where the heart beats.
Home is where our story begins.

Maison est là où bat notre coeur.
Maison est là où notre histoire a commencé.

Zuhause ist, wo dein Herz schlägt.
Zuhause ist, wo unsere Geschichte begann.

Casa es donde late el corazón.
Casa es donde inicia nuestra historia.

Дом – это место, где бьется сердце.
Дом – это место, где началась наша история.

IT

Forme semplici a semincasso, facilmente componibili e con ingombri minimi.
La cornice in gesso, verniciabile, scherma la sorgente per massimizzare il comfort visivo.

EN

Simple semi-recessed fixtures, easily assembled and with minimal dimensions. The paintable plaster frame shields the source in order to maximize visual comfort.

ES

Formas simples semiempotrables, fácilmente componibles y con dimensiones mínimas. El marco de yeso, con acabado de pintura, protege la fuente para maximizar el confort visual.

DE

Halbeinbaustrahler mit schlichten Formen, einfach kombinierbar und mit minimalem Platzbedarf. Der lackierbare Gipsrahmen schirmt die Lichtquelle ab, für maximalen Sehkomfort.

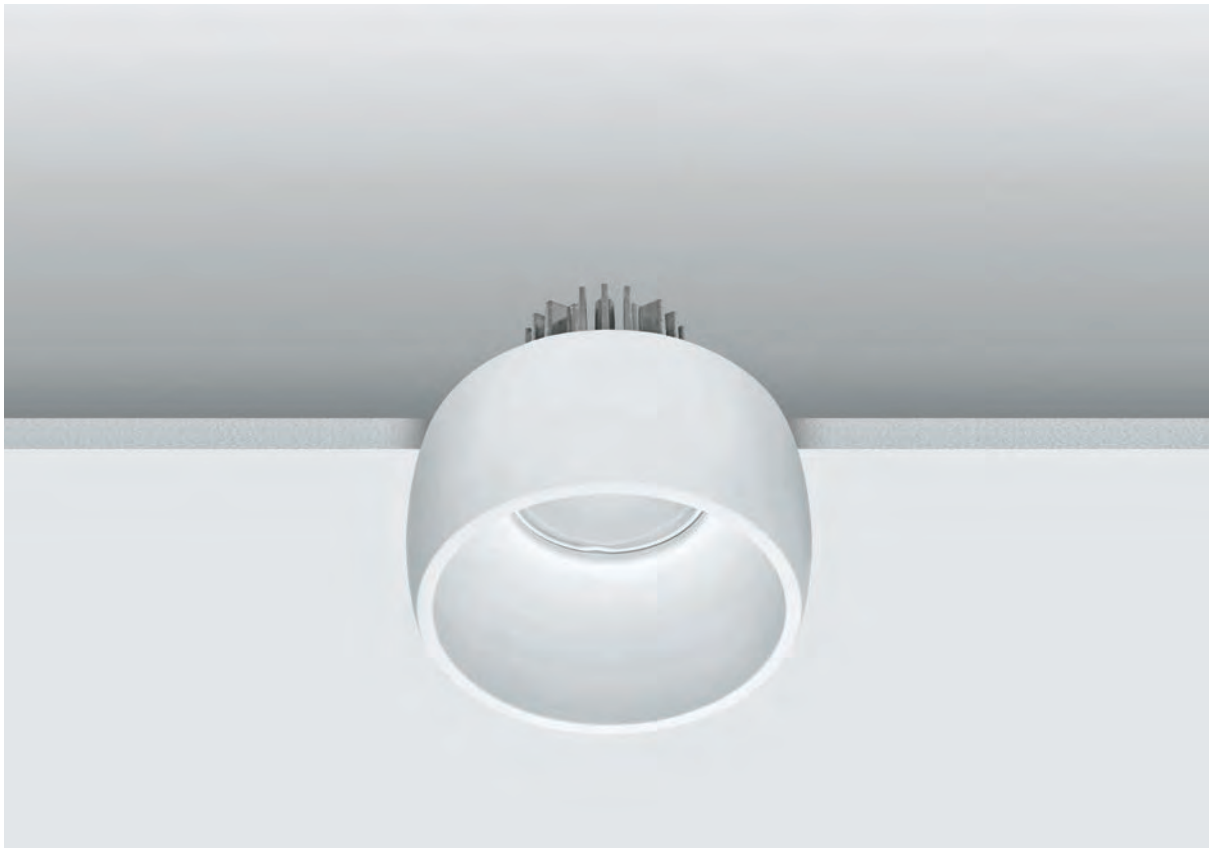

FR

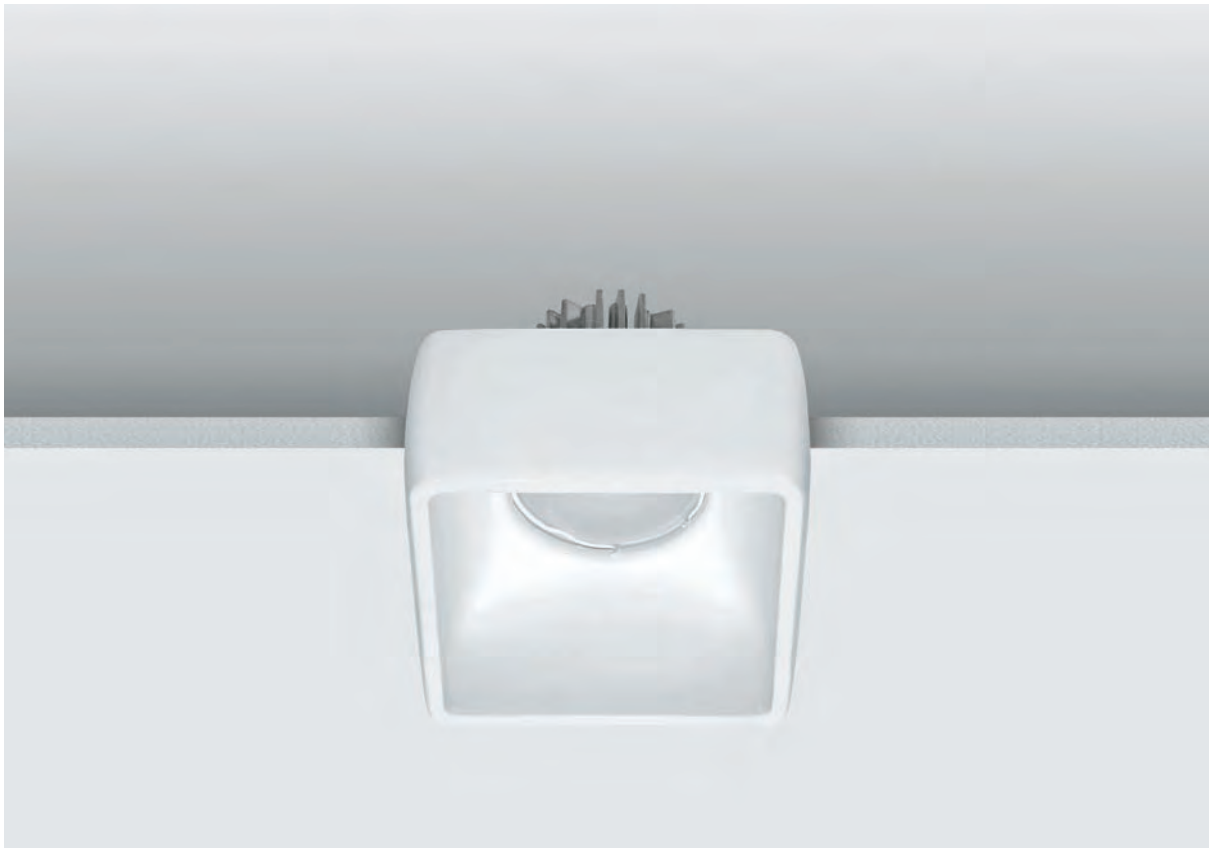

Des formes simples à demi-encastrement, facilement composables et avec des dimensions minimum. Le cadre en plâtre, avec laquage possible, protège la source pour optimiser le confort visuel.

PY

Простые полувстроенные формы, которые легко компонуются и обладают небольшими размерами. Рама из гипса (с возможностью окраски), экранирует источник света для максимально комфортного для глаз освещения.

300 SYSTEM

IT

_

Cavo a due conduttori in alluminio o rame + sostegno in acciaio. Due cavi, paralleli, sono posti in tensione tra due pareti a 300 millimetri di distanza l'uno dall'altro. I corpi illuminanti vengono posizionati lungo i cavi tramite apposita estremità di fissaggio.

EN

_

Two-conductor aluminium or copper cable + steel support. Two parallel cables mounted wall to wall separated by 300 mm. The lighting fixtures are placed along the cables and anchored by means of a special fixing system.

ES

_

Cable de dos conductores de aluminio o cobre + soporte de acero. Dos cables, paralelos, tensados entre dos paredes a 300 milímetros de distancia entre sí. Los cuerpos de iluminación se sitúan en los cables mediante los extremos correspondientes de fijación.

DE

_

Seil mit zwei Leitern aus Aluminium oder Kupfer + Halterung aus Stahl. Zwei parallele Seile werden im Abstand von 300 mm zwischen zwei Wänden gespannt. Die Leuchten werden mit den dafür vorgesehenen Befestigungen an den Seilen positioniert.

FR

_

Câble à deux conducteurs en aluminium ou cuivre + soutien en acier. Deux câbles, parallèles, sont mis en tension entre deux parois à une distance de 300 millimètres l'un de l'autre. Les corps lumineux sont positionnés le long du câble au moyen de l'extrémité de fixation prévue.

PY

_

Трос с двумя проводниками из алюминия или меди, опора из стали. Два параллельных троса натягиваются между двумя стенами на расстоянии 300 мм один от другого. Светильники закрепляются вдоль тросов при помощи расположенного на конце крепления.

5

YEARS **WARRANTY**

IT — Linea Light Group offre una garanzia di 5 anni sui propri prodotti per vizi di fabbricazione previa compilazione dell'apposito modulo di attivazione, disponibile sul sito www.linealight.com. In mancanza di attivazione rimane valida la garanzia prevista per legge. I prodotti devono essere installati tassativamente con alimentazioni, cablaggi e accessori originali del Gruppo Linea Light, o eventualmente approvati dall'azienda. L'utilizzo di accessori non originali, o non approvati, determina il decadimento di ogni garanzia sul prodotto.

Per ulteriori informazioni, consultare il sito www.linealight.com

EN — Linea Light Group offers a 5-year warranty on its products against manufacturing defects, subject to filling in the activation form available at www.linealight.com. In the absence of activation, the statutory warranty remains valid. All power supply, wiring and accessories used for product installation shall be original Linea Light Group parts or approved by the company.
The warranty will become void if non original or non approved parts are used.

For more information, please visit our website www.linealight.com

FR — Linea Light Group offre une garantie de 5 ans sur ses produits pour vice de fabrication à condition d'avoir préalablement rempli le formulaire d'activation correspondant, disponible sur le site www.linealight.com. En cas de non-activation, la garantie prévue par la loi reste valable. Les produits doivent impérativement être installés avec des alimentations, des câblages et des accessoires Linea Light Group, ou qui ont été approuvés par l'entreprise. L'utilisation d'accessoires non d'origine, ou non approuvés, entraîne la déchéance de toute garantie sur le produit.

Pour tout renseignement complémentaire, consulter le site www.linealight.com

DE — Die Firma Linea Light Group gibt eine Garantie von 5 Jahren auf ihre Produkte in Bezug auf Produktionsfehler. Voraussetzung für die Inanspruchnahme der Garantie ist das Ausfüllen des entsprechenden Formulars zur Aktivierung der Garantie, das auf der Webseite www.linealight.com verfügbar ist.Wenn keine Aktivierung der Garantie erfolgt, gilt die gesetzlich vorgeschriebene Garantie.Die Produkte müssen obligatorisch mit Originalstromversorgung, Originalkabeln und Originalzubehör der Linea Light Group oder mit Teilen, die von der Linea Light Group ausdrücklich empfohlen sind, installiert werden. Die Verwendung von nicht originalem oder nicht vom Hersteller empfohlenem Zubehör führt zu einem sofortigen Verfall vom Garantieanspruch für das Produkt.

Für weitere Informationen, besuchen Sie bitte www.linealight.com

ES — Linea Light Group ofrece una garantía de 5 años para sus productos por vicios de fabricación previa cumplimentación del formulario correspondiente de activación, disponible en el sitio www.linealight.com.
En caso de no activación, la garantía es la contemplada por la ley.
Los productos se han de instalar obligatoriamente con alimentaciones, cableados y accesorios originales de Linea Light Group o, de otra forma, deben ser aprobados por la empresa misma. El uso de accesorios no originales, o no aprobados, anula todas las garantías del producto.

Para más información, visite www.linealight.com

PY — Linea Light Group дает 5-летнюю гарантию на свои изделия от дефектов производства после заполнения соответствующего бланка активации, который можно найти на сайте www.linealight.com. При отсутствии активации действует предусмотренная законом гарантия. Изделия должны обязательно устанавливаться с оригинальными или одобренными Linea Light Group блоками питания, проводами и аксессуарами.
В случае использования неоригинальных или неодобренных производителем аксессуаров гарантия на изделия будет аннулирована.

Еще больше информации на нашем сайте www.linealight.com

IT — Tutti gli articoli sono in classe energetica A++. I lumen indicati si riferiscono all'emissione della sorgente. Gli schemi di collegamento per gli articoli dell'elettronica sono disponibili all'interno della documentazione tecnica.

EN — All articles belong to energy class A++. The lumens indicated refer to the light source emission. The connection diagrams for electronics articles are included in the technical documentation.

FR — Tous les articles sont en classe énergétique A++. Les lumens indiqués se réfèrent à l'émission de la source lumineuse. Les schémas de branchement pour les articles électroniques sont disponibles à l'intérieur de la documentation technique.

DE — Alle Artikel gehören zur Energieeffizienzklasse A++. Der angegebene Wert in Lumen bezieht sich auf die Abstrahlung der Lichtquelle. Die Anschlusspläne der elektronischen Artikel sind in der technischen Dokumentation enthalten.

ES — Todos los artículos son de clase energética A++. Los lúmenes indicados se refieren a la emisión de la fuente luminosa.Los esquemas de conexión para los artículos de la electrónica están disponibles dentro de la documentación técnica.

PY — Все артикулы имеют класс энергопотребления A++. Указанное значение в люменах относится к излучению источника света. Схемы соединений для электронных изделий приведены в технической документации.

IT — I disegni, le quote, i materiali ed i colori del presente catalogo si intendono a titolo indicativo. Nell'interesse della clientela, l'Azienda si riserva il diritto di modificare i modelli in ogni momento senza l'obbligo di preavviso.

EN — The drawings, dimensions, materials and colours contained in this catalogue are merely indicative. In the customers' interest, the Company reserves the right to modify the models at any time without notice.

FR — Les dessins, les cotes, les matériaux et les couleurs du présent catalogue sont purement à titre indicatif. Dans l'intérêt de la clientèle, l'Entreprise se réserve le droit de modifier à tout moment les modèles sans obligation de préavis.

DE — Die Zeichnungen, die Maße, die Materialien und die Farben im vorliegenden Katalog sind reine Anhaltswerte. Im Interesse der Kundschaft behält sich das Unternehmen das Recht vor, die Modelle jederzeit ohne Vorankündigung zu ändern.

ES — Los diseños, las medidas, los materiales y los colores de este catálogo tienen valor puramente indicativo. En interés de la clientela, la Empresa se reserva el derecho de modificar los modelos en cualquier momento sin obligación de aviso previo.

PY — Чертежи, размеры, материалы и цвета, приведенные в настоящем каталоге, носят ориентировочный характер. В интересах клиентов Компания оставляет за собой право вносить изменения в модели в любой момент без обязанности предварительного предупреждения.
